Does Your Child Love Horses?

Then there is no better way to spend summer vacation than at Briarwood Farms Summer Riding Camps. Here, your child can fulfill dreams of being close to horses while enjoying the companionship of other children who share the same passions and interests. At Briarwood, your child will learn to ride or improve his or her skills on our safe and reliable school horses under the supervision of qualified instructors.

Children participate in well supervised riding lessons, twice daily, ensuring lots of quality "horsey time." In the barn, instructors cover the basics of horse care in a hands-on format — grooming, tacking up, safety, equine anatomy, feeding, and much more. While most of the activities are centered around horses, other fun activities such as games and arts and crafts will also be planned.

What basics will my child need to bring for riding?

- ▶ Approved riding helmet*
- ▶ Boots or shoes with a minimum 1/2" heel
- ▶ Long pants
- ▶ Gloves (optional)

What will they need for the rest of the day?

- ▶ A pair of shorts
- ▶ Running shoes
- ▶ A lunch & snacks (we have a fridge for storage)
- ▶ Lots of liquids

* Note: We have a number of approved helmets.

Just few features of our outstanding, full-service facility:

- **Indoor riding area with attached viewing room**
- **Large outdoor riding ring**
- **Well appointed stables on private estate**

Call

Jan Humphrey, 905.713.0647

Please note: This is the barn phone. While you can leave a message, the most efficient way to communicate with us is via email.
